Work Experience

- 9/2010-Present Cedars Sinai Medical Center, Los Angeles, CA
Chief Pediatric Retinal Specialist
- 9/2004-Present USC Keck School of Medicine, Los Angeles, CA
Clinical Instructor
- 7/2004-Present Retina Eye Specialists, Beverly Hills and South Pasadena, CA
President/Founder

Fellowship Training

- 7/2002-6/2004 Casey Eye Institute/Oregon Health Sciences Univ., Portland, OR
Fellowship in Vitreo-Retinal Surgery
- 7/2001-6/2002 Casey Eye Institute/Oregon Health Sciences Univ., Portland, OR
Fellowship in Gene Therapy with J. Timothy Stout, MD, PhD
- Isolation, cloning, and transfection of anti-neovascular genes in Corneal Transplant and Choroidal Neovascular Membrane models in rabbits and Primates

Residency Training

- 7/1998-6/2001 Doheny Eye Institute/USC, Los Angeles, CA
Residency in Ophthalmology
- 6/1997-6/1998 Kern Medical Center, Bakersfield, CA
Internship in General Surgery

Education

- 1993-1997 University of Florida College of Medicine, Gainesville, FL
Doctor of Medicine
- 1991-1993 Harvard University, Cambridge, MA
Post-Baccalaureate Program in Pre-Medical Studies

1985-1987 New School of Social Research, New York, NY
M.A. in Media Studies and Film Production

1981-1985 Princeton University, Princeton, NJ
B.A. with double major in Biology and History

1978-1981 Diploma from Phillips Exeter Academy, Exeter, NH
Graduated with High Honors

Honors

1999 Warren Wilson Resident Prize for Outstanding Research, Doheny Eye Institute

1984 Woodrow Wilson Award for Thesis Research, Princeton University

1981 Graduated with High Honors, Phillips Exeter Academy

1980 Recipient of the Prize in Philosophy, Phillips Exeter Academy

Medical Licensure/Specialty Boards

American Board of Ophthalmology

California Medical Board

Hospital Staff Privileges

Cedars-Sinai Medical Center, Los Angeles, CA

Glendale Memorial Hospital, Glendale, CA

Huntington Memorial Hospital, Pasadena, CA

Olympia Medical Center, Los Angeles, CA

San Gabriel Valley Medical Center, San Gabriel, CA

LAC-USC Medical Center, Los Angeles, CA

USC-University Hospital, Los Angeles, CA

Clinical Research Experience

2015 PI: Phase 3, Safety and Efficacy of Abicipar Pegol (AGN-150998) in Patients with
Neovascular Age-related Macular Degeneration

2013 PI: Phase 2, A safety and Efficacy Study of Oral Danazol in the Treatment of Diabetic Macular
Edema

2013	ICH/GCP training 3/7/2013, NIH Certification Number: 1138828
2013	PI: Diabetic Retinopathy Clinical Research Network. Protocols pending
2013	Sub-I: National Ophthalmic Genotyping and Phenotyping Network, Stage 1 – Creation of DNA Repository for Inherited Ophthalmic Diseases
2012-present	Sub-I: Clinical and genetic analysis of Retinopathy of Prematurity
2006-2008	Sub-I: Phase 3, randomized, double blinded, Intravitreal Posurdex for the treatment of Diabetic Macular Edema
2005-2006	Sub-I: Phase 3, randomized, double blinded, Intravitreal Macugen and PDT for the treatment of predominantly Classic subfoveal neovascular membranes
2002-2004	Sub-I: Phase 3, randomized, double blinded, Intravitreal RhuFab for the treatment of classical subfoveal neovascular membranes in age-related macular degeneration
2002-2004	Sub-I: Phase 3, randomized, double blinded, Intravitreal Fluocinolone Acetonide Implant for non-infectious posterior Uveitis
2003	Sub-I: Laser Measurements of the Eye

Lecture Presentations

1. Pediatric Ophthalmology Lecture Series, Ophthalmology Residents, Cedars Siani Medical Center, Los Angeles, California, 2010-Present.
2. Vitreo-Retinal Lecture Series, Linden Optometrists, Pasadena, California, 2007-Present.
3. Vitreo-Retinal Lecture Series, Braille Club, Pasadena, California, 2007-Present.

4. Vitreo-Retinal Lecture Series, Sunrise Retirement Community, Pasadena, California, 2007-Present.
5. Diabetes and Retinal Diseases Lecture Series, American Diabetes Association, San Gabriel, California, 2007-Present.
6. Diagnosis and Treatments for Age Related Macular Degeneration, Atherton Baptists Homes, Alhambra, California, Nov., 2006.
7. Vitreo-Retinal Lecture Series, Berg-Feinfeld TLC Vision Correction Seminar, Pasadena, California, 2006-Present.
8. Pathobiology and Treatment of Vitreo-Retinal Maculopathies, Orange County Optometric Society, Sept., 2005.
9. Eye Diseases in the Elderly, Four Oaks Retirement Community, Beverly Hills, Dec., 2004.
10. New Developments in AMD, Vitalla Eye Institute, Bangalore, India, July 25, 2004.
11. Pediatric Retinal Diseases, Children's Hospital, Ulan Baator, Mongolia, August 4-7, 2004.
12. New Treatments for AMD, Casey Eye Institute, Portland, Oregon, Nov., 2002.
13. Phacoemulsification as practiced in Los Angeles, Prabha Eye Institute, Bangalore, India, June 2001.
14. Proliferative Diabetic Retinopathy in Hispanics, All Day Research Conference, Doheny Eye Institute/USC, June 2000.
15. Retinal Hemorrhages in Infants, All Day Clinical Conference, Doheny Eye Institute/USC, Jan 2000.
16. Progressive Outer Retinal Necrosis, All Day Clinical Conference, Doheny Eye Insitute/USC, Jan 1999.
17. Epidemiology of Diabetic Retinopathy in Hispanic Patients, All Day Research Conference, Doheny Eye Insitute/USC, June 1999.
18. Air Bag-Related Eye Injuries Grand Rounds, University of Florida, Gainesville, Florida, June 1996.

Medical School Research

- | | |
|-----------|--|
| 1996 | Doheny Eye Institute/USC, Narsing A. Rao, M.D.
<i>Cloning the anti-inflammatory Retinal Protective Protein gene.</i> |
| 1995 | Georgetown University, Dept of Ophthalmology, Elaine Zivavras, M.D.
Evaluating the spectrum of air bag-related ocular injuries. |
| 1992-1993 | Dana-Farber Cancer/Harvard Medical School, Margaret Shipp, M.D.
<i>Cloning oncogenes associated with Small Cell Carcinoma.</i> |
| 1992 | McLean Hospital/Harvard Medical School: Rachel Neve, Ph.D.
<i>Isolation of proteins implicated in Alzheimer's.</i> |

Organizations

American Association of Ophthalmology, Fellow

American College of Surgeons, Fellow

California Association of Ophthalmology, Member

Association for Research and Vision in Ophthalmology, Member

Los Angeles Eye Society, Member

Film Experience

- 1989-1991 WNET Channel13/PBS: Childhood Project, New York, NY.
Associate Producer: Documentary series about children shot internationally.
- 1987-1988 Maysles Films, New York, NY.
Associate Producer: Outrageous Taxi Stories, shown at the Margaret Mead Film Festival.
- 1989-1990 Producer and Assistant Director: Boss of the Ballet, shown at NY Film Festival.
- 1989-1990 Co-writer: Feature screenplay, DiMaggio's Last Season,
Finalist at the Sundance Film Festival, 1990.
- 1986-1990 Independent productions (Writer & Director) Yuppie Falls, Apeneck Sweeney.

Personal

Enjoy Literature, Film, and Photography

Foreign Languages: Fluent in Spanish, French, and Kannada

Traveled in South America, Europe, Africa, and Asia

Jogging, Ultimate Frisbee, Hiking (Andes, Himalayas, Appalachian Trail), and Motorcycling
